## PROFESSIONAL EXPERIENCE:

### MTN NIGERIA COMMUNICATIONS PLC

#### Senior Human Resources Business Partner

Lagos, Nigeria | **2021 – Present**

Provide strategic and operational HR partnership to multiple business functions, working closely with executive leadership, directors, general managers and departmental heads to align people strategies with business priorities.

#### Key Responsibilities

- Serve as a trusted HR advisor to senior business leaders on workforce, organisational and employee-related matters.
- Translate business strategy into actionable people strategies, workforce plans and HR interventions.
- Lead annual workforce planning exercises, including headcount forecasting, manpower budgeting and critical-role analysis.
- Partner with business leaders on organisational structure, role design, succession planning and talent optimisation.
- Drive the annual performance management cycle, including objective setting, performance reviews, calibration and performance improvement plans.
- Coach managers on performance management, employee relations, disciplinary matters and difficult employee conversations.
- Lead employee engagement and retention initiatives across assigned business units.
- Analyse workforce data covering turnover, absenteeism, headcount, productivity, engagement and talent movement.

- Identify emerging people risks and develop proactive interventions.
- Partner with Talent Acquisition teams on strategic recruitment and critical-position hiring.
- Develop succession plans and talent pipelines for business-critical and leadership positions.
- Identify capability gaps and work with Learning & Development teams to design targeted interventions.
- Support organisational restructuring, redeployment and change management initiatives.
- Provide guidance on HR policies, employment practices and labour-related matters.
- Support compensation reviews, promotions, transfers and workforce cost optimisation.
- Prepare HR dashboards, workforce reports and executive presentations for management decision-making.
- Champion employee experience, organisational culture and leadership effectiveness initiatives.

## Selected Achievements

- Supported workforce planning and restructuring initiatives that contributed to an estimated **12% reduction in avoidable workforce costs**.
- Improved performance management compliance across assigned business units from approximately **78% to 98%**.
- Developed succession plans covering more than **80 critical positions**, strengthening leadership continuity.
- Supported initiatives that reduced regrettable employee turnover by approximately **15%**.
- Introduced manager coaching interventions that improved the quality and timeliness of performance conversations.
- Used HR analytics to identify absenteeism and turnover trends and develop targeted retention interventions.
- Supported the implementation of employee engagement initiatives that contributed to measurable improvements in engagement scores.

## DANGOTE INDUSTRIES LIMITED

### HR Business Partner / HR Manager

Lagos, Nigeria | **2018 – 2021**

Partnered with business and operational leaders across corporate and operational functions to provide strategic HR solutions supporting productivity, workforce optimisation and employee relations.

### Key Responsibilities

- Acted as HR Business Partner to senior managers and departmental heads.
- Developed workforce plans aligned with operational and commercial requirements.

- Managed manpower forecasting, recruitment requirements and workforce deployment.
- Supported organisational restructuring and workforce optimisation projects.
- Led performance management and KPI implementation across assigned departments.
- Advised management on employee relations, disciplinary procedures, grievances and workplace conflicts.
- Supported industrial relations and employee engagement initiatives.
- Coordinated talent reviews and succession planning exercises.
- Identified high-potential employees and supported career development plans.
- Partnered with Learning & Development teams to address capability gaps.
- Monitored HR metrics including headcount, attrition, absenteeism, overtime and productivity.
- Prepared monthly and quarterly HR reports for senior management.
- Ensured compliance with organisational HR policies and applicable employment requirements.
- Supported compensation, promotion and salary review processes.
- Participated in HR policy reviews and process improvement initiatives.

### **Selected Achievements**

- Supported manpower optimisation initiatives that improved workforce utilisation across assigned functions.
- Reduced recruitment turnaround time through improved workforce forecasting and recruitment planning.
- Implemented structured performance review processes across multiple departments.
- Developed employee engagement initiatives that improved communication between management and employees.
- Supported leadership succession planning for critical operational roles.
- Improved HR reporting accuracy through standardised workforce dashboards.

## **PROCTER & GAMBLE NIGERIA LIMITED**

**HR Manager / HR Business Partner**

**Lagos, Nigeria | 2015 – 2018**

Provided HR partnership to commercial, supply chain and corporate functions in a fast-paced multinational environment.

### **Key Responsibilities**

- Partnered with business leaders to translate commercial and operational objectives into people strategies.
- Managed workforce planning and talent requirements for assigned business units.
- Led employee lifecycle activities from onboarding through career development and exit.
- Supported annual performance management and talent review processes.

- Advised managers on employee relations and performance issues.
- Coordinated leadership development and capability-building initiatives.
- Supported succession planning and internal mobility programmes.
- Conducted workforce analysis and provided recommendations to business leaders.
- Supported compensation and benefits reviews.
- Participated in organisational change and transformation projects.
- Developed HR communications and employee engagement initiatives.
- Worked collaboratively with Finance, Legal, Operations and senior management on people-related matters.

#### Selected Achievements

- Supported the development of a structured talent pipeline for key commercial and operational positions.
  - Improved internal mobility through enhanced career-development processes.
  - Supported the rollout of manager capability programmes across multiple functions.
  - Contributed to improved employee engagement through targeted people initiatives.
  - Strengthened workforce reporting and management decision-making through HR analytics.
-
